Committee, AGM

The time has come to hold our annual AGM. The Annual General Meeting is open to the parents, carers of all of the children who attend the setting. It is our shared forum for looking back over the previous year's activities and shaping the coming year's plan. It is also a time to elect new committee members for the coming year.

The committee is responsible for: managing the setting's finances; employing and

managing the staff; making sure that the setting has, and works to, policies that help it to provide a high quality service; and making sure that the setting works in partnership with the children's parents.

It is an expectation of the pre-school that at least **one** representative from each family of a child attending the pre-school is present at the AGM, Letter to follow, Thank you
