Ofsted!

We have now had our visit from Ofsted, we achieved a 'Good' Rating. We are very proud of all we have achieved over the last three years, I would especially like to say thank you to all our hard working and dedicated staff, our committee for giving us their time and commitment and all the parents/carers and children who make our pre-school so very special. THANK YOU!

In the words of our Ofsted Inspector:

"Staff are kind and encouraging. They help children to grow in confidence and feel valued. Children form strong attachments

with staff. They relish the opportunities to learn and socialise in mixed-age groups."

"All children are challenged, motivated to learn, and make good progress in their development. They are acquiring skills for future learning. They have good independence skills and listen well. They are developing good early literacy and mathematical skills in readiness for school."
