NEWS

Welcome back

We will be focusing this half term on 'Our Day'. Please encourage your child to bring an item in for show & tell for either the TOPIC OR LETTER of the week (nothing of value & named please), or if you as a parent or carer wishes to talk to the children about a special celebration then please let us know you are always very welcome

Summer Term

There is only 12 weeks left at pre-school until the summer term, it is a busy and exciting time of year for all. Children/parents are informed about which school they will be attending, reception teachers invited for visits, reports to write for schools etc. Derbyshire county Council have put some information and advice together for parents of those children starting school into reception, please see the quote from the website;

'Derbyshire parents, carers and professionals have identified the 10 keys to unlocking school readiness. These will help parents and families understand what their children should be able to do by the time they start in a reception class, if they are developing typically for their age.'

To find out more please look at the website https://www.derbyshire.gov.uk/education/early_years_childcare/ready-for-school/default.asp
